

Our World Famous Wings

We use only the finest wings, the Perdue Roaster, the largest and meatiest wing on the market. The Village Casino, which we have owned and operated for many years, broke the Guinness Book of World Records in 1985 for the most wings ever served in a twenty-four hour period. We are proud to continue to hold this prestigious award. We bring our wings in fresh daily and prepare them in premium cholesterol free oil. Served with blue cheese.
